- *“I am an Infantry Company Commander by trade, but currently specialize in helping wounded, injured, and ill Soldiers transition from active duty military service to the civilian world. I have read "Veterans: Do This! Get Hired!" and personally endorse it as an exceptional resource without hesitation. If you know a Veteran or Service Member who is planning on exiting the military, please recommend "Veterans: Do This! Get Hired!" It is a short read and functions more as a handbook than a self-help guide. Don't let your next interview turn into an ambush by walking into it unprepared. Take the time to read this one.”*...
